## A Word from the President

The first Show Committee was formed in August 1874 with the first President Mr Thomas Steward and Secretary Mr R. Craig. The first actual show was in March 1876. The show for many years was held at the racecourse. The present Show Ground was acquired in 1883 which was part of the old church and school estate. In 1907 the Show Society committee purchased 21 acres which is referred to as the back paddock and currently still is. The Pavilion was a small construction that was erected in 1925, improvements have been ongoing to meet current standards. The sheep pavilion was erected around 1910.

Braidwood Show is one of the oldest continuous shows in New South Wales. We have only missed a few shows once in the War years and lately due to fires, flood, COVID and upgrade and new lights in the arena.

This fantastic achievement is credited to the Committees, Volunteers, Sponsors and most importantly the Braidwood Community.

The Annual Show showcases our district and beyond, and we continue to see the very best agricultural exhibits and Community displays on offer. The show is a venue that exhibits the talent and diversity of our community.

The testament of the longevity of the Braidwood Show is valued to our Volunteers, members, sponsors, advertisers and you the Braidwood Community.

We look forward to continuing this fabulous relationship.

See you at the 2024 Show.

*John McGlone*  
President

The reasonableness of the cause or causes for postponement shall be decided by the Committee, and not open to question by any exhibitor, or person affected by such Judgement.

7. All protests must be delivered to the Secretary, in writing before 4 pm on the day of the Show, accompanied by a fee of \$2, which will be forfeited if the protest is deemed frivolous. It shall be the duty of the person protesting to produce evidence in support of the allegation. Protest shall be heard by the Committee at such times and places as it deems proper.
